

**An Invitation to attend the Grey Power Federation Annual General Meeting
to be held June 27th – 29th 2023**

This year our AGM is to be held at the Brentwood Hotel in Wellington and the Federation Board would like to invite all associations to send one or two delegates and observers as well, to attend so we can share ideas, and enjoy the fellowship of our organisation as well as being part of the national decision-making forum. Remember for Grey Power to survive it needs your input, these AGMs are yours.

The Federation board has found it a bit of a mission this year to keep costs down with the room rate including all meals and refreshments increasing by 10%. And although it is not the board's intention to make a profit from any AGM if that should occur a resolution was passed at the last board meeting, that if there is any profit it will be used to subsidise registration fees for next year's AGM.

The hotel has relaxed its rules on Covid protocols but members should be ever vigilant with the wearing of masks etc., being each individual attendee's own responsibility.

This year we will elect a new Vice President and a new Secretary - both of these positions are vital to our organisation so please vote for the person you believe will work in the best interests of our Grey Power organisation.

I look forward to seeing you there. It will be nice to catch up with all our association attendees once again plus any new faces that have joined our ranks.

**Jan Pentecost
President
Grey Power NZ Federation Inc.**
